

# COVID-19 Screening and Triage Tool

For Providers of Youth Experiencing Homelessness

Providers are encouraged to continue providing shelter and services to clients who have no symptoms of COVID-19 and clients who are mildly ill who can be separated. This tool is meant to help providers safely support clients and to guide providers in case a client is sick or has symptoms of COVID-19.

## A. Safely Screen for Symptoms: Should I provide a mask?

CDC guidelines: Disposable facemasks should be kept on-site and used only when someone is sick at your organization. Those who are sick should be immediately isolated from those who are not sick and given a clean disposable facemask to wear while staying at the shelter

### WASH HANDS with soap and water OR hand sanitizer

- Each client as they walk in
- Providers between each client

### SCREEN FOR SYMPTOMS --- ASK:

Have you had a fever or chills?

**NO**

**YES**

Do you have a cough?

Have you been feeling short of breath or are you having trouble breathing?

Have you been sneezing or do you have a runny nose?

Provide a surgical mask if answered **YES** to any question in Part A.

### CHECK TEMPERATURE WITH A THERMOMETER

Is temperature at or above **38°C or 100.4°F**?

**NO**

**YES**

## B. Screen for Underlying Conditions: Does client have any of the following?

	NO	YES	Notes
Autoimmune disease	_____	_____	
HIV	_____	_____	
Heart problems	_____	_____	
Lung problems	_____	_____	
Pregnancy	_____	_____	
Cancer	_____	_____	
High dose steroid treatment	_____	_____
